English

PROFILE

Enthusiastic and dedicated computer science student with a passion for technology and innovation. Currently pursuing a Bachelor's degree in Computer Engineering , and looking for an opportunity to work with a leading software company preferably as a SDE or any other relevant role that allows me to utilize my skills in programming, problem-solving, and software design to develop software.

EDUCATION

Marwadi Education Foundation Group of Institution, Gujarat
Bachelor of Engineering (Computer Engineering) 2021-Present
8.39/10 CGPA

Ram Ratan Shahi School/College Gopalganj, Bihar
Intermediate 63.6% 2019-2021

Central Public High School Gopalganj, Bihar
Matriculation 80% 2018-2019

PROJECTS

Student Attendance Tracking Management System

Developed a comprehensive web-based application for tracking student attendance as part of a semester project. Leveraged HTML, CSS, and JavaScript for the frontend to create an seamless user experience. Employed PHP for server-side scripting to handle data processing and SQL for database management to store and retrieve attendance records efficiently.

Online Laptop Selling website

Developed a fully functional online laptop selling website utilizing HTML, CSS, Bootstrap, PHP, and SQL. Created a user-friendly and responsive frontend using HTML, CSS, and Bootstrap.

Netflix and Spotify Clone

Designed and developed a Netflix and Spotify clone using HTML, CSS, and JavaScript. Created a responsive and visually appealing user interface that mimics the look and feel of the Netflix and spotify platform.
